### Welcome to Riverview Early Learning!

Riverview Early Childhood Center is a warm and loving school that serves three-year-olds with special needs, four-year-old kindergarten, Head Start and five-year-old kindergarten.

As children enter school for the first time, we strive for excellence and provide engaging and meaningful learning opportunities. Our staff members are early childhood experts who plan for a nurturing learning environment that is appropriate for young children. In addition, all five year olds receive weekly instruction in music, art and physical education.
